

# TOP HOSPITALITY COMPANY IN US

## CHALLENGE

- Environment was very secure; we had limited access and privileges to work with

## DRIVERS

- Dev and test environments to be free of sensitive data
- Static data masking for visitor information

## MENTIS SOLUTION

- Successful discovery and masking for the 3 data sources even when customer made small changes in the plan – custom masking methods and conditional masking

## SUCCESS STORIES

- Successfully worked with JSON files & OBIE database

## CUSTOMER SINCE

2019

## INDUSTRY

Hospitality

## GEOGRAPHY

USA

## PRODUCTS LICENSED

- iDiscover
- iScramble

## DATA SOURCES

- Oracle EBS: Orphin-Dev instance & Test instance
- OBIE data warehouse application
- JSON files
